Mountain West Financial, Inc. Wins National Award as Top Mortgage Employer *National Mortgage Professional Magazine's Top Mortgage Employer*

Mountain West Financial, Inc. proudly announces their award as Top Mortgage Employer on the inaugural list by *National Mortgage Professional Magazine* for the 2nd consecutive year. This list came as the result of a poll from readers on the following criteria: compensation, corporate culture, training resources, speed, long-term strategy, industry participation, marketing support, day-to-day management, innovation, technology, and internal communication. Based on those criteria, National Mortgage Professional weighed factors that are more important (factors such as corporate culture was considerably more important than speed of the company). “It’s a great honor to be recognized by *National Mortgage Professional Magazine* for the 2nd consecutive year. This honor wouldn’t be possible without the amazing team we have here at Mountain West Financial and we hope to continue this tradition for years to come,” said Jill Burns, Executive Vice President at Mountain West Financial, Inc.
