“We make it a priority at loan registration to see if our borrower and their property meet the Freddie Mac Home Possible program guidelines. The Home Possible and Home Possible Advantage loan products are really the best option for those homebuyers who can qualify, as the pricing advantages make the overall mortgage payments lower and more affordable for homebuyers when compared to other financing. We support this product 100% at every level and are proud to be recognized as a recipient of the RISE Award.” said Tonya Todd, SVP Strategic Products at Mountain West Financial, Inc. The following individuals from Mountain West Financial are also recognized as the top originators of Home Possible for Mountain West Financial:
