

Shopping For A Home Loan

Access Your Situation

It is a good start to have an idea of what your credit score is, as Lenders rely on this score for your loan. You will also want to think about what funds you have for a down payment, or if you will need down payment assistance

A home is a large purchase, so of course you want to do some comparison shopping. Ask me about rates, loan terms, qualifications, and down payment options. Many lenders will try and lure you in with appealing rates - but be cautious.

Demand the Best

You are the one buying a home, so you should be paired with the best possible loan for your unique situation; which is our goal! Let's chat about the best option for you!
